

about the source and cause of the trouble. Here is a brief summary of what I was told and what I believe:

For four years, a national organization has been forming and planning a great raid on American cities, covering practically all major cities in the U.S. This organization consists of Communists, Muslims, and discontents of all degrees. It evidently has hatred for monarchs etc. They say, "To God with America! Burn it down!" George Armistead is perhaps their best known leader. A group of hatred groups who meet regularly, composed of both Whites and Blacks have known about this organization. A Committee of Black clergymen have gone several times to police and civic authorities warning them of this organization, whose plans are finished and they were waiting for an incident to trigger the insurrection in Detroit, but they were "fooled" and told the
